(b) if so, the details thereof, District-wise;

(c) if not, whether the Government propose to expand the scheme in the remaining districts of the country;

(d) if so, the details thereof;

(e) the time by which it is likely to be implemented; and

(f) the funds demanded/allocated for the purpose, State-wise?

Answer

MINSTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI ANNASAHEB M.K. PATIL)

(a) to (f): A Statement is laid on the Table of the House.

Statement as referred to in reply to parts (a) to (f) of the Lok Sabha Starred QuestionNo. 104 due for reply on 09.12.2003 regarding COMPUTERISATION OF LAND RECORDS.

(a) & (b): The scheme of computerisation of Land Records was started in 1988-89 with theobjective of providing computerised copies of ownership details to the land owners on demand. So far 582 out of 593 districts of the country have been covered under the scheme. A statement showing number of districts covered (State-wise) under the Scheme is Annexed.

(c), (d) & (e): The remaining 11 districts in the States of Meghalaya and Union Territories ofAndaman & Nicobar Islands, Diu and Lakshadweep are proposed to be covered during the 1oth Five Year Plan. These State/UTs have been requested to update their Land Records and then take up computerization.

(f): This is a demand driven Scheme, therefore no State-wise allocation is made. However, the proposals received from the State Governments are examined as per the Guidelines and funds released accordingly. Since inception of the Scheme, Government of India has released Rs.288.25 crores (upto 30.11.2003) to State/UTs for the implementation of the Scheme.
